

DAIKIN Solution Plaza

**Mr. Unmesh.Parikh**  
Proprietor,  
Aroma Air Conditioning

Since incorporation in 2013, our success And growth as an organization over the Past 11 years has come because of our Attitude towards our customers. We take Special care that our customer gets value In whatever we do : from drawing board Stage pre sales to execution and post Installation.

Aroma Air Conditioning started by Mr.Unmesh Parikh, Young Entrepreneur of Vibrant Gujarat in 2013. He is Graduate Mechanical Engineer from L.D.College of Engineering with Specialization in Refrigeration & Airconditioning. Also he has his masters in Business Administartion in Marketing. He has worked with Multinational companies like "CARRIER AIRCONDITIONING ",JOHNSON CONTROLS for more than 10 years and also worked with VOLTAS , TATA ENTERPRISE for half a decade. He is having experience of Power Industry Like "TORRENT" and Capital Goods Industry "NESCO". Started his carrier as Graduate Enginner Trainee in 1993 & reached to Vice President Level by 2009. During this tenure he has worked with Major Corporates, Hotel Industry ,Govt.Sector, Architects, Interiors and Leading Developers in PAN india level. Mission To start "AROMA AIRCONDITIONING" is to provide customers best available quality Engineering products with prompt after sales service under one roof.
